**(3) Approval of Minutes from Last Meeting**

All in approval: yes

**(4) Co-President Report (Harsh/Abbey)**

- Lots of nominations for the incoming board!

SLS grad committee - only 3L's responsible for that

Should we hold in person voting or just online?

- Might be difficult to prevent people from voting twice if we do both
- Maybe have a time one day to get people to come by in person and fill in online - but also just have the voting open online from home

Law ball

- Make sure we all help with tear down, will only be like 10 mins
- Update the positions document and create an exit letter due Feb 10!!
- Upload exit letter in google drive - this is just to inform new board members of the positions

Exit lunch with dean for SLS team

- Update our schedules if there have been any changes, otherwise

Updated by-laws

- Only change made is the requirement for the board positions
- And the max amount of members on board is now 15 not 12 because of 2 presidents and 2 1L reps

Matt

- Have you spoke to Dean about 3L going away event?
- Not yet but will email her

AGM

- March 6th 6:15pm

- Applied for TRUSU but never got a response - abbey will follow up

Law ball

- Checking vases because we probably don't have enough and will need to buy more
  - Will just go to dollarama to buy more
- Marina will do the seating chart in canva
- We need the easel from Cara to display this at the ball

- Abbey can drop off coast cheque

**(6) External Reports**

**(a) ILSA - Jesse Young**

Nothing to report

**(b) Communications and Marketing Officer / Secretary - Mia Sivic**

Nothing to report

**(7) Financial Report - Conrad Parken**

Do we want to do the SLS grant?

- Probably not because it left us in a pretty bad spot last year so

Balance today: 45,859.90

**(8) Conference Chair - Jaya Gill**

Conference is all done and it was good

SLS chair was part of the election but it should be removed

Pahul, should she come to the board on March 6th

Waiting for TRUSU to give reimbursements

**(9) Other Business**

Upgrading the website for 14\$

- this would make it a lot easier to post SLS events on the calendar to buy tickets for

- the way it currently is selling bowling tickets does not work well because you cant cap the total amount of tickets sold, only cap each the SLS and Non-SLS ticket type which makes it more difficult to track

- we wouldn't use eventbrite anymore for next year because the fees are so high

Donation from the faculty for law ball?

- unsure when it'll come - most likely after

- abbey will inquire

Mia will update the meeting minutes and agenda templates because it's disorganized

Meeting called to an end at 9:26am
